V6MF5 Combo Free Standing

The V6MF5 is the free-standing professional unit combining the VMS and MultiForce modalities that requires no anchoring to a floor or wall. With the VMF5K band bank kit installed on the V6, a counter balance kit is required (VMFBK). (VMFBK sold separately)

The V6MF5 is shipped fully assembled and may require some disassembly and reassembly.

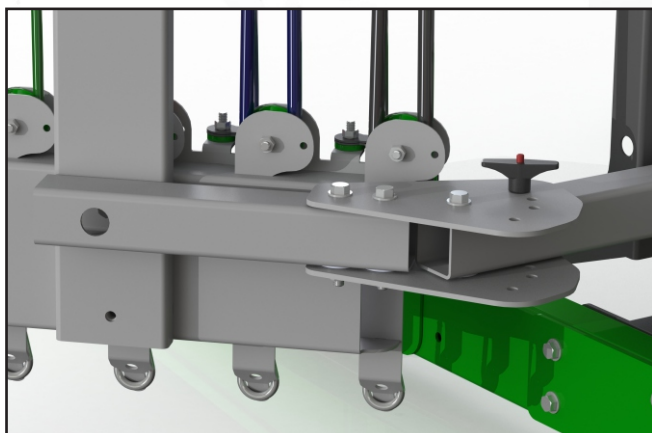

The V6MF5 can be used by 1-3 people at the same time by adjusting the band banks to one of four positions.
